

Sparta Middle School

Immunization Requirements for Incoming 6th Graders in September 2014

- If your child is 11 years old and has not yet received a Tdap booster and a meningococcal vaccine, please schedule an appointment with your doctor at your earliest convenience and provide documentation to the school nurse at Helen Morgan School. **Keep a copy of your child's shot record.**
- Some students have already received **Tdap** and/or **meningococcal** vaccines, but documentation is not on file at Helen Morgan School. Please submit a record of immunization from the doctor as soon as possible. Check with the school nurse at Helen Morgan School to make sure the copy is received.
- If your child is receiving the shots during an annual physical you may download the Sparta Township Schools Physical Examination Form from the Sparta Middle School website. There are NO other forms from the school for proof of shots. The record comes from the doctor's office.
- Students turning 11 years old after September 1, 2014 need to submit evidence of an appointment with their doctor to receive the required shots within 2 weeks of their birthday.
- If your child has a summer birthday please mail the updated shot record and/or physical exam form to Sparta Middle School during the summer. Please keep a copy of the shot record for yourself.
- Mail your child's record to:

Sparta Middle School
350 Main Street
Sparta, NJ 07871
